

## Dessert Discussion Guidelines:

Guest list is provided to host by coordinator who uses random selection to organize groups.

Each participant will act as host at least 1 time during the year.

Host will provide snacks &/or dessert and beverage, or menu of his/her choice. Unless otherwise stated by your host/hostess, guests should expect only snacks &/or dessert and beverage.

Host will notify guests and coordinator with the date and time of their get-together. Date and time is at the convenience of the host.

If for any reason the Host is unable to have a get-together during the scheduled month, notify the coordinator ASAP in the hope that alternate host may be found or makeup date can be scheduled.

It is important that Guests notify the Host if they are not able to attend the scheduled get-together so alternate guests can be arranged by host.

If more guests can be accommodated, Host is encouraged to invite other UU's or friends of UU to their get together.

Discussion topic can be determined by the Host or can be solicited from the group.

Goal is to get to know one another better and to have a fun time doing it.

If you have questions, please contact coordinator:
