

THE WEAVE

In my new job as president of the society, I enjoy seeing how many ways members and friends, staff and volunteers, visitors and observers interconnect to weave the fabric of our community. I'm attending different meetings, talking with many people, learning as I go. Each month in the Jotter I'll share what I find. My goal is to help each weaver find the materials, the direction (s)he wants to add to the Weaving. WE are the UUSDBA.

The Finance Committee is hard at work on writing financial policies and procedures, accomplishing the very difficult job of combining close-up examination of details and thoughtful consideration of long term questions. Thanks to Phil Elliott, Steve Segner, Cliff Jackson, Jim Christianson, Bill Ternent, Reinhold Schlieper and E.D. Mann for the hours and hours they've put into this. The Board will be receiving it soon.

I can tell you a place where folks are having fun: I heard laughter coming from Room 2 last Tuesday night and decided to check it out. Toastmasters meet from 6-7 and provide entertainment while members hone their communication skills. Just think: meetings might get more done in less time!

Choir is enjoying enlivening your Sunday morning service. If you have a favorite song, let us know. Write me at doromom@gmail.com or call 673-9982. Also, let me know how you're feeling about your role as a weaver, your part in the WEave. See you soon.
