

Philosophy of Religious Education

We strive to stir the minds of our children to search for what quickens their spirit, and while overcoming prejudice, impartially and conscientiously choose their own path. Unburdened by the imposition of arbitrary rules and rote memorization, we hope to strengthen their powers of thought and awaken their conscience to moral discernment.

Based on the thoughts of William Ellery Channing

Love is the spirit of this Society and service is its aim. To dwell together in peace and freedom, to seek the truth, and to help one another. This is our goal.

Unitarian Universalist
Society of the
Daytona Beach Area

August 4th - 7th

Program Description

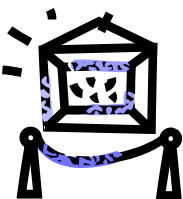

We invite your child(ren) to spend a week creating and planning for a "kids-led" UU Coffee House. Kids will spend the week developing their own creative piece for the event, as well as preparing for their role as hosts. A few of the oldest kids will videotape the coffee house event. Others will photograph & scrapbook throughout the week as they prepare. Adult volunteers who share a passion for a creative approach to life will share their ideas throughout the week using many forms of artistic expression.

The program will culminate in a special Galleria & brief PowerPoint Presentation which will reflect the week's activities.

This special event will be hosted by the campers. Family and friends should plan to attend.
