

*Love is the spirit
of this Society
and service is its aim.
To dwell together
in peace and freedom,
to seek the truth,
and to help one another.
This is our goal.*

PHILOSOPHY
OF RELIGIOUS
EDUCATION

We strive to stir the minds of our children to search for what quickens their spirit, and while overcoming prejudice, impartially and conscientiously choose their own path.

Unburdened by the imposition of arbitrary rules and rote memorization, we hope to strengthen their powers of thought and awaken their conscience to moral discernment.

ACTIVITY
SUNDAY, JULY 12TH

Program Description

The goal of this summer camp experience is two-fold. First of all, we support the initiative to "leave no child inside". Secondly, we hope to motivate children to take action. Our program is possible because we have many volunteers who truly value our earth and all of its inhabitants. Your child(ren)'s natural sense of wonder will strengthen as we unite them with Mother Nature's gifts.

Important information for campers:

- We encourage kids to use our old t-shirts for art smocks (It can get pretty messy!)
- Campers please wear loose comfortable clothing with closed-toed athletic shoes.
- Also, please bring a lunchbox with a healthy lunch and cool beverage. You may include a water bottle to be used throughout the day.
- Sunscreen and bug spray should be applied before coming to camp each morning.
- Snack is included in the program fee.
