

## Friday Night Family Flicks

On Friday, January 15th, come join our RE families & friends for this month's Family Flick. Gather at 6:45, so that you may grab a beverage & some popcorn for the showing at 7 p.m.

The title of the January Family Flick is *Arctic Tale*...

*"Set in the vast snow kingdom at the top of the world, Arctic Tale is a real life adventure from the people who brought you March of the Penguins. Join narrator Queen Latifah as she follows two very different arctic creatures, Nanu, the polar bear cub and Seela, the walrus pup, through exciting and harrowing struggles for survival. Armed only with their natural instincts and mothers' guidance, these inspiring animals face countless trials and challenges in a beautiful icebound world that is rapidly melting beneath them."*

Donations will be collected to support the polar bear's habitat. **Please RSVP to Debbie Johnson, if possible.** Those kids who are not yet school-age will be offered a movie-showing alternative.

## Have you ever attended a Universal Birthday Party?

An invitation to all of UU... Please plan to join us at **6:30 pm on Saturday, January 30th** for the 3rd Annual UNIVERSAL BIRTHDAY PARTY! People of all ages are welcome to join in the fun. This year once again we will share a piece of yummy cake & ice cream, and then play board games & more! Mark your calendars and plan to celebrate all of our birthdays as together we honor our UUniqueness. Who knows... you just might make a new UU friend!

## TOOLBOX OF FAIR

**What tools does Unitarian Universalism offer for the challenges of life?**

**Throughout 2010 our RE children and youth will discover many aspects of UU faith that are helpful to them, while developing a toolbox of faith. Join us on the 2nd Sunday in January (1-10-10) for a "Story for All Ages" that will begin this journey.**

**Find out how through a simple act of cooperation, the group can learn to care for one another, and make "rules" (promises) that are fair to everyone. Then, throughout 2010 we'll continue this program introducing new tools (such as duct tape, a hardhat, sandpaper, and a magnifying glass), and you'll discover what each one has to do with religious education.**

**As Pastor Bud says... Stay tuned!!**
