

RE Happenings

In May, we plan to form a UU Children's Choir... but we need to know who is interested. Please contact Debbie Johnson at dbeckjohnson@earthlink.net, if you &/or your child(ren) would like to give it a try. Practice will be Sundays in May and one or two Wednesday evenings, as needed. No auditions necessary... this is just for fun ☺

On MOTHERS' DAY, Let's "STAND FOR PEACE"!!

On Sunday, May 10th our children will be part of a national celebration honoring a famous UU, Julia Ward Howe. **Please join us at noon** as we help restore the holiday to her original intent: A day to promote peace & speak out against war! Kids will draw messages of peace **on our UUS sidewalks** as adults look on... and then together we will pause to recognize the importance of peaceful means.

To learn more about "Stand for Peace" visit:

Pennies for Pancakes
Sunday, May 10th
During hospitality hour

On Sunday May, 10th please join us as the children serve pancakes for pennies. RE children will attend the service for the story for all ages... slip back into RE and use griddles to make pancakes for all of UU... and then, serve the tasty hot cakes during hospitality hour. Suggested donation is pennies (and more, if you'd like) to support peaceful efforts in our community. This time the collection will be used for purchases made to support *Caring Through Sharing*, a local non-profit organization which is dedicated to eliminating hunger as well as promoting stabilization of families.

Their motto: **"To Feed the Hungry One Family at a Time"**.

And your pennies will contribute to this initiative :)
