Guest At Your Table Update:

Collection boxes and all donations are due back to RE by January 4, 2009. See Debbie Johnson with any questions or comments. Thanks for your continued support of our efforts!

RE friends & families- Thanks so much for your participation in the Holiday Sunday Service last week! We received many compliments :)

The Nursery & Chalice Children were so sweet singing "Jingle Bells" and ringing their bells as they left for their classrooms!

The Star & Cosmos Kids also did a great job miming their parts for 'A Messiah Is Among Us'. It was fun to watch these children take delight in acting out their parts as kids who misbehaved at school!

Thanks also to Jesse and Jasmine, two of our Galactic Girls & Guys. They did a wonderful job collecting the offertory... which requires a level of maturity that they demonstrate consistently... Good work!

CUUPS Sunday Service/ December 21st

Today the kids will be in the Sanctuary for another Story For All Ages... only this time all of the kids will leave for the RE classrooms immediately following it. You may wonder what CUUPS stand for?? It is the Covenant of UU Pagans. Several of our members also belong to this group and today they will lead our congregation as we celebrate Winter Solstice.

Also, today our RE kids will pick some of the lettuce from our garden and build wraps for our congregants and visitors to enjoy during coffee hour. Please remind your child of their manners as they prepare, serve, and enjoy this yummy snack.

Game & Craft Day in RE/December 28th

Next week, we will have games and crafts available to the RE kids. There will not be an RE lesson, but the kids will come together for joys 'n concerns. **Parents are needed to cover this "lesson" time as the regular "staff" will be off for the holiday.** Please see Debbie Johnson if you are available to help out. Thanks so much!
