Volume I Issue 2 March 9, 2008

Once again, welcome to the world of RE... we know that you are busy families and that keeping track of all the emails I send your way can be a daunting task. So, we have created a publication to assist you!

Please let us know:

- *how we can serve you*
- *how you would like to help us*

Together we can make great things happen in RE! Enjoy :)

UUSDBA Rummage Sale, Fri. & Sat. Mar. 15-16th from 8am - 4pm

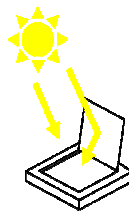

Join us in selling and buying of resale stuff! They say: "One man's trash is another man's treasure"! Come join us and find out for yourself! Your involvement in the Rummage sale benefits UUSDBA... and good old Mother (or rather Parent) Earth! Plus, it's just plain fun!!

- Please bring **your donations to room #3** any time after the baby shower on Sun, Mar. 9th
- You **may volunteer to work** for an hour or two, please email Gaia Davies: kurt.gaia.davies@mindspring.com
- **Come visit the RE booth** where we will simply inform others of our KIVA sponsorship to Maria, a Mexican who is using her KIVA loan to run a resale shop. Way to go RE kids!

The RE kids will be part of the **Sunday Service on March 30th**: "It's Easy To Be Green" The kids will share their Earth Pledge, sing a song with the congregation, and help lead a special mini-sermon regarding repair of our world. Please plan to attend.

With the installation of solar panels at UUSDBA, RE will learn about solar energy. This month our kids will make pizza box solar ovens, and use them to cook s'mores! On Sunday, March 30th the kids will have a chance to visit a solar playhouse and ride on a solar golf cart. Both will be provided by SolarFit. Please plan to stay for the dedication of our solar panels following the Sunday service. There will be a yummy foods to eat at this time of celebration!

Thanks to all the parents who have brought aluminum cans in the past. We appreciate your donations.

Please bring as many cans as you can this month, especially on Saturday, March 15th.

We are planning a garden for the kids, and hope to use the cash from recycling to cover the cost. Ron Watkins & Kurtland Davies are busy building a raised bed to get us started. Thank you, too!

I have bolded the important dates in this document. We have some fun things planned and we wouldn't want you and your family to miss out :) Please email me with any questions or comments. Thanks- Debbie Johnson
