Once again, welcome to the world of RE... This publication has been created to assist you & your busy family!

Please let us know:

- how we can serve you
- how you would like to help us

Together we can make great things happen in RE! Enjoy :)

On **Sunday, April 13th** we will be preparing for Earth Day at Washington Oaks. We will have two stations set up:

### Button Making

- Kids can design their own Earth Day buttons
- You may also purchase the Green Sanctuary t-shirts, children's \$7, adults \$15

### Solar Oven Construction (for those who missed out)

- We will use pizza boxes, tinfoil & black paper
- Adults will assist with the cutting of the box lids
- Kids get to display/use them at the Earth Day celebration & then take them home to keep

On **Saturday & Sunday, April 19th & 20th** from 10 am –4 pm our UU Society will be participating in an Earth Day program at Washington Oaks.

There we will set up three areas for displays, sales & activities:

- Solar Fit complete with the solar playhouse & solar golf cart
- Green Sanctuary displays, t-shirt sales & button making
- RE displays, an interactive recycling timeline & solar cooking 'smores

**Volunteers are needed to man our booth...**

Please plan to attend & offer to help with the button making &/or solar cooking of our 'smores for 1-2 hours per family... Many hands will make light work & this event is family & earth friendly! It's sure to be fun for all who attend :)
