Volume II Issue 4 March 29, 2009

*Please look here for information about upcoming events
and other important items related to RE...*

Sunday, April 5
RE Spring Planting
Healthy Children, Healthy Planet

Terri Kolaska will be helping our children help plant the spring "crop". Kids will play afterwards while parents meet for the next session of Healthy Kids, Healthy Planet. The focus of our next discussion will be "Time and Creativity".

We will serve a pizza lunch, so please plan to stay until about 1:00 or 1:15. Please RSVP to Debbie Johnson by Fri.,

Sunday, April 12
Family Egg Dying

In celebration of Easter Sunday and the approaching season of Spring, we are planning to dye eggs in RE class. In lieu of hiding eggs, we plan to hide canned/dry foods and then donate them to Halifax Urban Ministries....

Sunday, April 12
Friendly Food Can Hunt

Please plan to bring a small donation of a few food items. We will use them for a fun activity and then donate them to this worthy cause.

RE Parents' Corner

For now we have three parents who agreed to help with a new parent group. **Joanna Baugh** is a relatively new RE mom. She will be attending the Caring Committee meetings, so that we may be in the know about who needs a friendly greeting from our UU family. The children are busy making cards and such. This way Joanna can send them out as needed.

Tonia Dunham & Bev Berger are two RE moms who have been around for a while. They have agreed to help out when we need to make calls to RE families. Email is a wonderful tool, but sometimes the topic of conversation deserves a personal contact, and email just doesn't fit the bill. Tonia and Bev will be calling parents about important RE matters as they come up... like our fast approaching Creative UU summer camp :)

Thanks to all three of you for helping us to *stay connected!*

Please look here for important dates. Not all of these are listed on the UUSDBA calendar...

Sunday, March 29th
